A Family Sponsored Page could vary in size from ¼, ½, to a full page (8 ½ x 11 inches, less margins). The Page might be used to document the family history from early times to current times. One might decide to post a family picture with text about the person(s) shown. All should be presented in a positive and not vindictive manner.

A Family Sponsored Page is being offered because the Book is about Minonk's history. The families living here have and are making this history. These Family Sponsored Pages will be a source for future generation to better know you and your ancestors. They might even discover some of their ancestors (you).

Pictures can be, but they don't need to be, a part of your Page.
