**This Week's Spotlight is on...  
FHS Senior Andrew Gochanour**

Congratulations to FHS Senior Math Student, Andrew Gochanour, on his selection as the Senior of the Month for December. "Andrew is currently taking Calculus," states Mrs. Nicole Underwood, Math Instructor. "He has taken 5 math courses at FHS. Andrew works hard to fully understand the material and to turn in quality work. He always contributes to class in a positive manner. Andrew's work ethic and positive attitude make him a standout at Fieldcrest High School and will help him succeed in the future." Andrew will receive a cash award and is eligible for the Senior of the Month Scholarship, both provided by Wenona State Bank, proud sponsor of the Senior of the Month program.

Have a Great Week... God Bless! William Lapp, Principal
